# Find the TAMARRO

Discover these portals shaped as mischievous beings, half legend and half imagination

Mischievous beings, half legend and half imagination, they are the protectors of nature and wild forests. There are seven in Andorra and they are very difficult to see. They have portals and sometimes they need our help to access our forests. The objective is to find the seven Tamarros and for the children to put a small round stone in them in order to open the portals.

- **Location:** in all the parishes of the country.
- **Distance of the route:** between 300 meters and 1 km.
- **Time:** between 30 min and 1 hour.
- To carry out this activity you will need the book **"Find the Tamarro."**

# JUBERRI Gardens

Harmony and peace among nature is what the Juberri Gardens offer, in the parish of Sant Julià de Lòria.

This small green space created in 2005 is one of the most original places in the Principality of Andorra and a perfect proposal for art lovers.

- **Location:** Carrer del Bec, 42, AD600 Sant Julià de Lòria
- **Distance of the route:** 0,7 km.
- **Time:** between 1 and 2 hours

# MACARULLA Itineraries

Get into the forest and interact with the natural environment

These itineraries are designed for boys and girls, along with their families, to get into nature and do playful activities and games during the route. They are a perfect tool for little ones to interact with the natural environment in a fun and respectful way.
